

Chute Kickstart Services

Accelerate using your new Chute UGC platform

Installation and Configuration Services to Kickstart Your UGC Initiatives

All new Chute customers have the choice to implement the Chute platform or work directly with Chute experts to quickly get started with delivering the value of the Chute UGC platform for your organization.

Kickstart Services, which include configuration and installation of the Chute platform, are delivered by Ignite's global Professional Services organization. Customers choose Chute's Kickstart Services to:

- Optimize the Platform: Ensure alignment to specific UGC goals and full platform functionality immediately available to users
- Accelerate Time-to-Value: Speed-up installation for fastest time to platform use
- Limit resource requirements: Lessen or entirely eliminate added configuration and installation work from already stretched staff who are not yet Chute experts
