Accelerate using your new Olive Software digital publishing platform

## Installation and Configuration Services to Kickstart Your Digital Publishing Initiatives

All new Olive Software customers have the choice to implement Olive Software or work directly with Ignite Olive Software experts to quickly get started with delivering the value of the Olive Software digital publishing platform for your organization.

Kickstart Services, which include configuration and installation of the Olive Software platform, are delivered by Ignite's global Professional Services organization. Customers choose Olive Software Kickstart Services to:

- Optimize the Platform: Ensure alignment to specific digital publishing goals and full platform functionality available to users
- Accelerate Time-to-Value: Speed-up installation for fastest time to platform use
- Limit resource requirements: Lessen or entirely eliminate added configuration and installation work from already stretched staff who are not yet Olive Software experts
